NWTSFA offers information on Student Financial Assistance for residents of the NWT.

Ms. Nona German, Northern Student Services Advisor, provides free services for all NWTSFA students who attend educational institutions and training programs in the Edmonton area. ## RELEASE OF INFORMATION

The NWT Access to Information and Protection of Privacy Act protects all information that you supply to NWTSFA. What this means is that any of the information we have collected in your file cannot be made available to anyone other than you. All requests for such information from a third party will be denied.

If you want someone to have access to your NWTSFA file, please submit a Form B - Consent for the Release of Information to our department. This form can be found in our office, on our website, as well as the ECE Service Centre in your NWT community.

## STUDENT CHILD CARE USER SUBSIDY

As a student with children, you may also be eligible for a Student Child Care User Subsidy from the Government of the NWT. For more information, contact the ECE Service Centre in your NWT community.

If you are outside the NWT, contact the Student Services office at your institution.

## STUDENT HANDBOOK, APPLICATIONS AND FORMS

Handbooks, Applications and Forms are available in our office on the first floor of Lahm Ridge Tower in Yellowknife, on our website ([www.nwtsfa.gov.nt.ca](http://www.nwtsfa.gov.nt.ca)), as well as the ECE Service Centre in your NWT community.

As always, please feel free to submit your application for the upcoming academic year any time before your deadline. It is not necessary to provide your transcript and/or acceptance letter before applying for SFA. Your application will be evaluated based on the information you provide and should you have any changes, your information can be updated later.

## LOAN REPAYMENT/REMISSION

If you have previously received a student loan from the GNWT and are not planning to return to full-time studies for six months or longer, you will need to contact your Revenue and Collections Officer to discuss your repayment and/or remission obligations (*refer to the contact information on page 5*).

It is important that you keep track of the amount and type of money you borrow as you are obligated to repay a student loan just as you would a loan from the bank. If you are unable to meet your payment obligations you must contact your Revenue and Collections Officer immediately to avoid having your credit rating jeopardized.

If you are planning to return to full-time studies without NWT SFA and wish to suspend your loan payments, you must submit a confirmation of full-time status. You can do this by submitting a **Form D—Student Enrollment Form**.

---

***It is your responsibility to contact our office to arrange for loan repayment or remission before the six-month interest-free period has ended.***

## STUDENT TRAVEL REMINDERS

Please keep in mind the following items when travelling to and from school:

- ◆ To book travel, contact a northern travel agency, who will contact us for authorization.
- ◆ Student Financial Assistance does **NOT** pay for excess luggage. You are only entitled to the luggage allowance given by the airline you are travelling on. Anything above that is your responsibility.

When requesting reimbursement for travel by air, you require the following information in addition to **Form A—Travel Claim**:

- ◆ A copy of your Itinerary/Receipt that shows the amount that you paid and if possible a copy of the ticket or your boarding pass.
- ◆ If the ticket was purchased with a credit card, you must submit a copy of the credit card or a statement that shows the last 4 numbers of the credit card and the name of the cardholder.

Including this information will expedite the process to reimburse you for your travel.
